## PALMA CEIA GOLF COURSE MASTERPIECE

Welcome to "Villa De Columnas", a magnificent estate of architectural distinction, quality and the very best in craftsmanship. Completed in 2008 and superbly designed by famed designer Thomas Everett Lamb, striking sophistication flourishes in this golf front Palma Ceia Country Club Gated Estate. Constructed to the very highest of standards, with over 7,000 heated square feet and over 10,000 total square feet this home is truly a masterpiece. The first floor features a two story sun-filled grand room with a stunning fireplace and a domed and coffered ceiling. The kitchen is custom designed by Adler with the finest appliances and separate caterer's kitchen. The expansive yet warm and inviting family room features a custom entertainment center and full serving bar. The first floor master suite is richly appointed with a luxurious master bath and his and her closets. Step outdoors to two extraordinary loggias each with a gas fireplace and tv overlooking the golf course. There is also a full service outdoor kitchen with electronic retractable rain sensor awning. All these areas overlook the resort pool and spa, which is an outdoor work of art! Ascend the twin stairs (constructed of custom forged ironwork) or take the elevator to three large bedroom suites, game room, richly appointed office or 4th bedroom, and library. For those car enthusiasts there is a gated paved motor court and garage spacing for 4-8 cars with expansive well appointed storage. Detailed feature list and video available to help further describe this timeless elegant example of European Architecture.
